OSINT Tools

Surveillance Equipment

Investigation Kits

Secure Communication Systems

Additional Analysts

Operational Vehicles

Training Budget

Recommendations

Increase intelligence budget

Expand manpower

Invest in AI and data analytics

Strengthen inter-agency collaboration

Improve information security

Adopt predictive intelligence

“

Intelligence is no longer merely a security function; it is a strategic capability. Our focus for the remainder of 2026 is to anticipate threats, protect strategic interests, support informed decisions, and strengthen resilience across all EIB operations.

Thank You

Yemi Adebawale
