

Bright FM 3-Month Lean Growth Budget Plan

Objective: Improve content quality, increase audience engagement, and create commercial opportunities with controlled spending.

Note: Since Bright FM operates as a subsidiary and major operational costs such as diesel, and power are supported by the parent company, this budget focuses on strategic growth, content development, marketing, and revenue opportunities.

MONTH 1: Foundation & Audience Acquisition Budget

Budget Area	Purpose	Amount
Fueling of Vehicle	Marketing, Field content, General Use	₦210,000
2 Android Phones (One off Purchase)	Marketing, Studio Line, Field content	₦220,000
Souvenirs, Coupons, Recharge Cards (One off)	Audience giveaway	₦400,000
Miscellaneous	Operational support	₦100,000
Total Monthly Budget		₦930,000

MONTH 2: Sustained Marketing & Content Fieldwork Budget

Budget Area	Purpose	Amount
Fueling of Vehicle	Marketing, Field content, General Use	₦210,000

Miscellaneous	Support needs	₦100,000
Total Monthly Budget		₦310,000

MONTH 3: Consolidation & Operational Support Budget

Budget Area	Purpose	Amount
Fueling of Vehicle	Markerting, Field content, General Use	₦210,000
Miscellaneous	Operational support	₦100,000
Total Monthly Budget		₦310,000

3-Month Total Budget Requirement

Total Strategic Growth Budget: ₦1,550,000

Summary

Given that Bright FM's core operational expenses are supported by the parent company, this 3 month budget is designed as a strategic growth investment rather than a survival budget. The focus is on strengthening content, improving audience connection, increasing brand visibility, and creating a stronger platform for revenue generation.
