

FIRST HALF (H₁) PERFORMANCE PRESENTATION

EXECUTIVE ASSISTANTS TO THE CHAIRMAN

Reporting Period: February – June 2026

Date: June 27th, 2026

Presented by: Omowumi and Philomina

OVERVIEW OF THE ROLE AS AN EXECUTIVE ASSISTANT

Over the last few months as EAs, we have provided support to the executive office, ensuring the smooth coordination of daily operations.

The role focuses on improving coordination, supporting leadership decision-making, facilitating communication across management, and ensuring that executive directives are effectively implemented.

Responsibilities Undertaken Included:

Within the reporting period, we have successfully supported the Executive Office through:

- Coordinating visit schedules and executive calendars.
- Managing protocol and reception arrangements.
- Preparing meeting briefs and supporting documentation.
- Coordinating logistics and venue readiness.
- Liaising with group and subsidiaries management.
- Ensuring smooth execution of all engagements while maintaining the highest standards of professionalism within the Executive Office.

Executive Engagements & High-Level Visits

During the reporting period, the Executive Office successfully coordinated and hosted several high-profile visits, stakeholder engagements, and strategic meetings, ensuring professional protocol, seamless logistics, and effective stakeholder management.

Notable dignitaries and delegations received included:

- ✓ The Inspector General of Police (IGP)
- ✓ The Honourable Minister of Foreign Affairs
- ✓ Environmental Study Tour Delegation
- ✓ NLNG Delegation
- ✓ Safetech Innovations Delegation
- ✓ Senior government officials, corporate executives, industry stakeholders, development partners, and other distinguished visitors.

Events Successfully Organized

As a Team, we successfully organized some events and provided support, including internal engagements and Executive Office activities, ensuring effective planning, logistics, stakeholder coordination, and smooth execution. Some of these events include:

- Ramadan IFTAR Dinner
- DICON Staff End of Training Luncheon
- Welfare support for Managers/Team Leads 2-day Leadership Training
- Welfare for movie and exercise days
- Eid Celebration Barbecue Event etc.

Executive Coordination

Successfully maintained and managed the Chairman's daily schedule, ensuring:

- Effective prioritization of engagements
- Timely reminders
- Efficient time management
- Reduced scheduling conflicts

Executive Communication

Prepared and managed numerous:

- Official correspondence
- Internal communications
- Reports
- Meeting documentation

All these helped to support informed executive decision-making.

Operational Support & Problem Resolution

Provided timely intervention in resolving operational and staff-related matters before escalation to the Chairman, including:

- Coordinating emergency travel support for stranded staff.
- Facilitating prompt payment of urgent hospital bills for staff welfare.
- Supporting staff welfare initiatives.
- Coordinating logistics for office events and staff engagements.
- Resolving day-to-day operational issues requiring immediate executive attention.
- Managing urgent requests efficiently, reducing unnecessary escalation to the Chairman's office.

These proactive interventions enhanced operational efficiency while allowing the Chairman to remain focused on strategic priorities.

**Over the last
four months,
we have:**

- Coordinated executive meetings, board sessions, and strategic engagements, minute-taking, and timely follow-up on action items.
- Proactively monitored the Chairman's commitments, and ensuring adequate preparation for meetings, presentations, and executive engagements.
- Coordinated domestic travel arrangements, including itineraries, accommodation, transportation, and travel documentation where applicable.
- Maintained strict confidentiality in handling sensitive corporate information, executive correspondence, and organizational records.

- Improved office administration by maintaining executive office supplies, managing petty cash reconciliation, coordinating vendor engagements, and ensuring smooth day-to-day executive office operations.
- Provided protocol, hospitality, and event coordination support for executive visitors, partners, and organizational functions, contributing to a professional corporate image.
- Successfully supported special assignments and cross-functional projects assigned by the Chairman, ensuring timely execution and alignment with organizational objectives.

Second Half (H2) Strategic Plan

Key Objectives

- Implement a more structured communication and access management process to the Chairman, ensuring operational matters are first escalated through appropriate reporting lines before reaching the executive office.
- Implement an executive request and approval workflow for meetings, appointments, and document reviews to improve efficiency and response times.

- 
- 
- Support strategic collaboration amongst group and subsidiary managements, and reinforce the Executive Office's commitment to excellence in executive coordination and stakeholder engagement.

One Strategic Initiative to Highlight

Executive Access & Communication Framework

This would help to establish a structured communication protocol that preserves the Chairman's time for strategic leadership while ensuring staff concerns are addressed through the appropriate chain of command.

Expected Outcomes:

- Reduced non-strategic interruptions to the Chairman.
- Improved adherence to organizational reporting structure.
- Faster resolution of operational issues at departmental level.
- Increased executive productivity and focus on organizational priorities.
- Better accountability among managers and team leads.

Conclusion

Although we assumed this role in February, the past few months have provided an opportunity to quickly adapt, establish effective executive support systems, and contribute meaningfully to the Chairman's office.

Building on this foundation, our focus for the second half of the year is to further improve operational efficiency, streamline communication and executive processes, and protect the Chairman's time for strategic priorities.

We remain committed to providing proactive, professional, and value-driven support that contributes to the continued success of the organization.

Thank you
