SENIOR MANAGEMENT AND EXECUTIVE MANAGEMENT REPORTING

AGENDA

SOP for management reporting

Management accountability

Efficiency

Effective delivery techniques

Professionalism

PURPOSE

- To establish a structured reporting system that ensures accountability, transparency, informed decision-making, and effective communication between Senior Management, Executive Management, and the Board where applicable.

SCOPE

This SOP applies to:

General Managers (GMs)

Group Managers

Department Heads

Chief Operating Officer (COO)

Executive Vice Presidents (EVPs)

Chief Executive Officer (CEO)

REPORTING PRINCIPLE

All reports shall:

1. Be factual and evidence-based.
2. Reflect actual operational performance.
3. Include challenges and proposed solutions.
4. Be submitted within approved timelines.
5. Follow established reporting lines.

No manager shall bypass the reporting structure unless expressly authorized by the CEO.

ALL REPORT QUALITY STANDARDS

All reports must:

- Be concise and professional.
- Include measurable data.
- Contain supporting evidence where necessary
- Highlight deviations from targets
- Include corrective action plans

Reports containing false, misleading, or unverified information shall be treated as misconduct.

ACCOUNTABILITY

Senior Management Responsibilities

- Ensure timely report submission.
- Verify accuracy of information.
- Address identified issues.
- Communicate management decisions to subordinates.

Executive Management Responsibilities

- I. Review submitted reports.
- II. Provide strategic direction.
- III. Monitor organizational performance.
- IV. Ensure implementation of corrective actions.

NON-COMPLIANCE

The following shall constitute non-compliance:

- 1) Late submission of reports.
- 2) Failure to submit reports.
- 3) Submission of inaccurate information.
- 4) Failure to implement agreed action items.

Repeated non-compliance may result in:

- Written warning.
- Negative performance appraisal rating.
- Demotion.
- Disciplinary action as provided in company policy.

Management Reporting Rule

No department, subsidiary, project, business unit or group manager shall operate without periodic reporting.

Every manager is accountable for reporting performance, challenges, risks, and results through the approved management structure.
