- Policy Harmonization

OCT – NOV

GROWTH

- 2027 Strategy
- Group Townhall
- CSR Summit

DECEMBER

REVIEW

- Year-End Report
- Performance Appraisals
- 2027 Budget

PHASE 01

Foundation & Awareness

June – July 2026

Establishing the Baseline

Leadership

Onboarding: 1-on-1 meetings with GMs to align on unique subsidiary dynamics.

Linkage Mapping:

Identifying operational overlaps and shared service opportunities.

Ops Leads: Appointing subsidiary-level leads for group-level oversight.

■ Internal Audit:

Comprehensive review of Operations, HR, Finance, and Assets.

■ KPI Dashboard:

Deploying standardized reporting templates across the Group.

≥10%

**COST SAVINGS TARGET
VIA PROCUREMENT SYNERGY**

Phase 2: Integration & Optimization

- **Procurement Pilot**

Centralized review in 2–3 companies for contract unification.

- **Operational Reviews**

Launch quarterly performance tracking across all subsidiaries.

- **Cross-Functional Synergy**

Leveraging other subsidiary tech products for Bright FM media products.

- **Policy Harmonization**

Standardizing HR policies (Leave, Welfare, Conflict Resolution).

- **Risk & Legal**

Consolidated Risk Register and IP framework for all subsidiaries.

Growth & Visibility

PHASE 3: OCT – NOV

■ 2027 Strategic Planning

Collaborative growth target definition and investment focus with each subsidiary.

■ Internal Alignment

Group Townhall and Stakeholder Briefings to improve internal morale and unity.

■ Digital Presence

Launch of consolidated Group Website and Intranet Portal for unified branding.

■ Corporate Citizenship

CSR Summit via Bright Foundation to position the group as a responsible leader.

Phase 4: Review & Transition

DECEMBER 2026

- **Operational Reporting:** Completing the Year-End report with key insights and gap analysis.
- **Leadership Appraisals:** Conducting performance reviews for all subsidiary Operations Heads.
- **Executive Presentation:** Delivering data-driven recommendations to the Group CEO and Board.
- **2027 Readiness:** Finalizing budget approval and resource allocation for the new year.

Subsidiary Priorities: Tech

EIB STRATOC

- Integrate UAV missions with central ops
- Ensure drone readiness & logistics
- Standardize inter-sector reporting

BRIECH UAS

- Accelerate R&D collaborations
- Expand industrial drone service reach
- Target Military, Energy, Agriculture

BRIECH ATLANTIC

- Optimize asset utilization
- Evaluate revenue channels
-

POCTOVA

- Strengthen tech development cycles
- Drive adoption of internal tools
- Support R & D

Media & Community Priorities

■ LUFT PayTV

- Looking forward to its coming back on air
- Align with Bright FM for media leverage
-

■ Bright FM

- Streamline scheduling & broadcast quality
- Drive joint initiatives with Foundation
- Enhance digital content distribution

■ Lutrieber Automobile

- Standardize inventory & maintenance logs
- Unify parts procurement processes
- Explore expansion

■ Bright Foundation

- Develop comprehensive 2026 CSR calendar
- Integrate CSR with media partnerships
- Strengthen community impact reporting

Success Metrics

- **Operational Alignment:** 100% implementation of cross-company KPIs by September 2026.
- **Cost Efficiency:** Achieve $\geq 10\%$ savings through centralized procurement synergy.
- **Innovation:** Launch at least 4 new intercompany product or service initiatives.
- **Strategic Readiness:** 100% Board approval of the 2027 strategic and budget plan.
- **Leadership:** Improved staff satisfaction and GM alignment based on Townhall feedback.

Conclusion

This work plan establishes a roadmap for a unified, efficient, and resilient Briech Group. By prioritizing synergy and accountability, we lay the foundation for sustainable growth in 2027.
