Priority Recommendations

1. Training & Development:

Develop a formal Q3 training calendar covering all departments

2. Employee Engagement:

- Conduct quarterly staff engagement survey
- Develop formal recognition/awards program
- Plan mid-year staff appreciation event

Retention Observations

1. The organizational restructuring exercise was the primary driver of workforce reduction during this period
2. 50 staff members were disengaged as part of the restructuring
3. 5 staff members were transferred to the Directorate of Intelligence and Clandestine Operations
4. 7 staff were transferred to EIB Stratoc

4. GIGA FORENSICS

Mr. Iheanyi Okpo- GM Miss Deborah Eyeife-AGM

Training Recommendations

1. Workplace Ethics & Conduct
2. Attendance & Punctuality Awareness
3. HR Policy Awareness
4. Leadership & Team Management

5. LUFTREIBER

TOTAL NUMBER OF STAFF	32
TOTAL NUMBER OF JANITORS	4

Key Observations

Late arrivals were most common on Mondays following weekends and after public holidays

Staff returning from approved leave occasionally had punctuality challenges during reintegration

Consistent follow-up with late-coming staff was maintained throughout the period.

Punctuality Improvement Measures

- Daily recording of arrival times using biometric system
- Immediate documentation of late arrivals
- Follow-up communications with repeat offenders
- Query letters issued for consistent lateness

6. BRIGHT FM

TOTAL NUMBER OF STAFF	22
TOTAL NUMBER OF JANITORS	5

Rita Reuben a presenter was appraised in April and was later disengaged because of lack of confidence and delivery on air and also the Company's restructuring. We Lost 1 staff by name Simeon Sunday in April.

ALL BRIGHTFM STAFF are good with their activities and are also punctual to their scheduled program time every day.

Mr. Innocent Obi (Radio Rabbi) who airs twice a week (Wednesday and Sundays) and while the others come every day.

I recommend that the salaries of staff who come only during their programme times and days, should be reviewed or be assigned more task so that they can be coming every day and be more productive.

7. BRIECH ATLANTIC

Total Briech Atlantic Staff – 25

Total Janitors – 15

Total Gardeners – 3

- Implement quarterly performance review conversations
- Create individual development plans for high-potential
- Pension and HMO for staff, as lack of these reduces staff morale

Employee performance across the construction sites and supporting departments was assessed based on key indicators such as project execution, adherence to safety standards, quality of workmanship, punctuality and timely completion of tasks.

8. BEF

S/N	Name	Position
1	MR. ALINWEZE JUDE	GM
2	Unche Joseph Eghimulim	Program Officer and Support Services
3	Marcus Belove Gziyatiya	Monitoring and Evaluation Officer
4	Oluwaseyi Akinfa	Admin Officer/Assistant to the General Manager

BEF maintained a highly productive, disciplined, and collaborative workforce throughout the reporting period. Staff consistently demonstrated professionalism, accountability, and commitment to the Foundation's mission. The absence of disciplinary cases, combined with the successful execution of community outreach and educational support programmes reflects a positive work culture and effective employee engagement within the Foundation.

9. LUFT Resignations

A total of five (5) employees voluntarily resigned during the reporting period in March. Four resigned to pursue opportunities with other organizations, while one resigned to focus on personal business activities.

- **Redundancy:** Especially the for the PGA, to Create individual development plans for high-potential staff and extend training opportunities to state office staff

Absenteeism Management Actions

- Immediate phone follow-up with all absent staff
- Documentation of all absence reasons
- Medical certificate/pictures of drugs for sick leave
- Verbal warning issued for unauthorized absences
- Final warning letters issued for repeated non-compliance.

SOME OF THE CHALLENGES ENCOUNTER

1. Power disruptions during working hours
2. Trying to hold staff accountable for breach of the contract of employment for only what was stated in their contract because we have not yet distributed handbooks.
3. Regulatory compliance with constituted authorities.
4. Organizational restructuring created anxiety among staff regarding job security
5. Non-observance of public holidays (Workers' Day) affected staff morale temporarily
6. Salary account transition (Zenith Bank) caused initial uncertainty among staff

Basically Talent acquisition and Retention, Learning and Development, Performance management and Workforce planning are the key strategies the Human Resources Department will use ;

1. To digitalize the department using the Human Resources System provided by the Chief Technical officer.
 - Ensure all HR Managers acquaint with the system for proper application and usage
2. Key Performance Indicators (KPIs) Tracking
3. To evaluate if the HR strategic plan is genuinely driving corporate profitability and agility, organizations track specific, high-level metrics.
4. Measures human capital productivity over time.
5. Tracks how fast new hires reach peak operating efficiency.
6. Monitors loss of high-performing or high-potential talent.
7. Measures the completion and success rate of training initiatives.
8. Proactive process of aligning an organization's workforce capabilities directly with its long-term business goals .

9. Transforms human resource management from a purely administrative function into a critical business driver by ensuring that the Group has the right talent, in the right roles, at the exact time required to hit commercial targets.

10. To bridge the gap between business objectives and human capital. By translating corporate goals into actionable workforce strategies.

11. identifies skill gaps, designs targeted talent acquisition and development programs, and ensures the organization has the right people in place to execute its vision.

12. Recommend and appreciate staff with exceptional performance for salary review.

13. payroll processing, benefits enrolment, employee onboarding documentation, and compliance reporting.

14. maintain employee records, coordinate background checks, and handle system integrations across HR technology platforms.

CONCLUSIO:

Going into the second half of 2026, the focus is shifting toward rebuilding staff workforce, confidence, Development programs, and improving HR visibility across all locations.
